

# What's in your school's Connexions Resource Area?

- Info to help you sort out your career, spare time and personal problems such as health, relationships, money, rights and equality. Plus lots more...
- Books, leaflets and prospectuses.
- Connexions information is coded using its own classification system - the Connexions Resources Centre Index (CRCI).
- To find out what you want, check out the codes and icons on the CRCI chart or rolodex.
- Each code starts with a letter.
- Information about jobs is coded in 23 job families. Each job family is coded with a letter between **A** and **W**; there is also an icon for each job family.
- Other information - such as career choices, free time, health - is in 11 sections, each starting with a **Z**.
