### EET ....is the Word at Halifax Connexions Centre

Looking for **E**mployment, **E**ducation or **T**raining? Aged 16 -18?

Then you're the one we want!

Calderdale & Kirklees Careers are organising an **EET ...is the Word** event at **Halifax Connexions Centre, 16 Alexandra Street, Halifax, HX1 1BS** on **Thursday 1 September** between **12noon and 3.00pm** where young people can meet up with specialist careers advisers as well as staff from Calderdale College and local training organisations.

Young people will be able to find out about apprenticeship vacancies and how to apply for them. They will get the latest information about college and other training courses and, with help from advisers, work out which one will be best for them.

Local employer, Provident Insurance, will also be on hand to give advice about what employers are looking for on application forms, CVs and at interview.

Jill Meade, Manager of Halifax Connexions Centre said "this is a great opportunity for young people and their parents/carers to meet local learning providers and employers, as well as careers advisers. We've invited a whole range of specialists to the Connexions Centre so that young people can come along and talk to them. The job market is very competitive now and we want to give young people every possible chance to equip themselves with the right skills, knowledge and qualifications. They can come along and talk to people who know where the vacancies are and how to apply for them."

Summer is over, exam results are out – what next? For anyone who hasn't got fixed up with a job, apprenticeship or course **EET is the Word** is for you. Come along to the Connexions Centre on **Thursday 1<sup>st</sup> September** and get some extra help to take your next steps.

If you can't make it to this special event, you can still get help from Connexions Personal Advisers, the Connexions Centre is open Monday – Tuesday 12.00 – 5.00pm; Wednesday - Friday 10.00am – 5.00pm.
