Win Win Win !

Lucky Linthwaite man Richard Netherwood has successfully completed a Dreamweaver course, bagged himself a new job AND scooped a £100 in shopping vouchers after using the Next Step service at Careers 4 Adults in Huddersfield.

Richard made a Next Step appointment with Adult Careers Adviser, Nicola Hatfield, to explore his training needs and options. They identified a Dreamweaver course which was ideal and through the knowledge and skills gained he has been able to design and develop the web site: www.pytchley-autocar.co.uk

Since his appointment Richard has been appointed as the Media Sales Manager to the Guild of Motoring and says 'it is vital to keep up with new technology to remain competitive'.

Careers 4 Adults are always keen to know how their customers are getting on with their careers and Richard completed a follow up questionnaire which was selected randomly from the replies by Calderdale & Kirklees Careers Chief Executive, Gerald Hey, to receive a £100 in Shopping Vouchers.

All adults can access the Next Step Service to discuss their career and Careers 4 Adults can be contacted on 01484 226809 or next.step@ckcareers.org.uk to arrange to see someone.
