

APPRENTICESHIPS

Apprenticeships and Work Based Foundation Learning in Calderdale and Kirklees ZW2.2(3)

Apprenticeships and Work Based Foundation Learning (FL) (Excel and Venture)

- An apprenticeship is a job, or work placement, that involves taking a Vocational Qualification (VQ) with a recognised training provider, while employed by a company as an apprentice.
 - If you and your Connexions PA feel you will need some support in getting into work, or an apprenticeship, work-based Foundation Learning could be for you. **Foundation Learning is called 'Venture' in Kirklees and 'Excel' in Calderdale.**
 - The Government funds apprenticeships for 16-24 year olds and FL for 16-18 year olds*.
-

→ Training - what would you do?

- Training will vary as it depends on your skill area but can be by day-release, block-release and assessment at work.
- All apprentices do Functional Skills in ICT, English and maths.

→ Money - how much would you get?

- Apprentices are paid a wage. The minimum, from 1 October 2011, is £2.60 an hour but many employers pay more than this.

→ Interested?

- Let your PA know what type of apprenticeship or FL you are interested in.
- Register for vacancies with the National Apprenticeship Service at www.apprenticeships.org.uk
- Also look at this leaflet, or www.workabout.org.uk, for what's on offer from local training providers.
- Then contact the provider, if they accept speculative enquiries, or see your Connexions Personal Adviser in school, college or at a Connexions Centre in Dewsbury, Huddersfield or Halifax.
- You can not apply directly for Foundation Learning (Excel and Venture), your PA must refer you.
- If you want to know more about Excel and Venture, ask for a copy of Get Ahead.

→ Do you need more information?

- Talk to your Personal Adviser. They may also know of opportunities not listed here.
- Look at our leaflet 'Apprenticeships and Foundation Learning' and the 'Apprenticeship' series of leaflets.
- Contact the training provider or, if they have one, visit their website. You'll find contact details in this leaflet.
- Check out www.workabout.org.uk for forthcoming open evenings.

→ Note - this leaflet is updated monthly

*Anyone over the statutory age for government funding should contact work-based learning providers for details of training fees, and any government funding which may be available.
