

## Year 9 Choices - Careers Help on Workabout

Choosing your subjects in Year 9 is the first decision you will make that could affect your future career. Choosing isn't always easy!

**Workabout** – the website of Calderdale & Kirklees Careers, has advice and information about qualifications, subjects and careers to help you on your way.

Now log on to [www.workabout.org.uk](http://www.workabout.org.uk), go to '11-16' and click on Year 9.

1. ➔ **Are you ready to think about your future?** Try this short questionnaire to find out.

What was your result?

.....

2. Advice about how to choose your options.

➔ **Careers Countdown**

List two things to do this term to help you to choose.

.....

3. What subjects can you do?

➔ From the Year 9 homepage got to '**Check out subjects**'

Click on your local online prospectus, then 'Providers' and select your school.

How many GCSE subjects can you do?

.....

.....

What other qualifications can you do?

.....

.....

4. **Qualifications explained.** More about qualifications

You usually study level 1 and 2 qualifications in Years 10-11.

Click on GCSE

GCSE can be in non- ..... subjects  
in ..... subjects  
short ..... subjects

GCSEs are graded .....

Now check out the other options at level 2.

5. More about careers

Got a job or career in mind? Do you have a favourite subject and you want to know what careers it may lead on to? It's important to check if specific GCSEs are needed.

➔ Go back to the Year 9 homepage and choose '**Look for career ideas**'

Select **Careers Information** or **Jobs4U**

Now check out jobs or subjects you are interested in.

6. How are you doing?

➔   Select '**Careerconnect**'

Play on your own or with a partner.

**Other things to do before choosing your options**

1. Read your school booklet carefully
2. Look at Directions – Year 9 options booklet (also on Workabout)
3. Try Kudos – a careers matching program online or in school
4. Look at more careers information in school or on Workabout

Ask to see your Personal Adviser if you need more help.
